

Thank you for contacting us; below you will find a list of our services and prices starting from the Tremiti islands. We can also take care of your boat reservation with the Navigazione Libera del Golfo, both from Termoli and from Vieste.

MINICRUISE FOR TOURISTS ONLY:

The price of the minicruise with departure from the Tremiti islands is 50/70 euros per person (depending on the season). Children up to the age of 4 can come for free; between the age of 4 and 10 they receive a 50% discount, and from the age of 11 they pay the full price. Departure is scheduled for 10am (meeting at 9.50 for a briefing of the boat), and return around 5pm (in time to catch the ferry back should you need to that day). The minicruise includes a tour of the islands, long bathing stops in some of the best places where anchoring is possible. Besides aperitif, lunch, and drinks **are included**. On the boat we will offer fins, but it is highly advisable that you bring your own mask and snorkel in order to better explore the underwater world of the islands, therefore **we will not be renting them** for health and safety purposes. As soon as you come on-board you must hand us the covid19 module (please download it from our website) and **follow the health and safety procedures indicated on our website.**

MINICRUISE SHARED WITH DIVERS:

The price of the minicruise shared with divers with departure from the Tremiti islands is 50/70 euros per person (depending on the season and subject to availability). Children up to the age of 4 can come for free; between the age of 4 and 10 they receive a 50% discount, and from the age of 11 they pay the full price. Departure is scheduled for 10am (meeting at 9.50 for a briefing of the boat), and return around 5pm (in time to catch the ferry back should you need to that day). With the Blu Alba boat we will take you to the best diving sites, which are also good snorkelling spots. While the divers go off on their activities you can enjoy long bathes, lounge and sunbathe. On the boat we will offer fins, but it is highly advisable that you bring your own mask and snorkel in order to better explore the underwater world of the islands, therefore **we will not be renting them** for health and safety purposes. As soon as you come on-board you must hand us the covid19 module (please download it from our website) and **follow the health and safety procedures indicated on our website.**

HALF-DAY MINICRUISE, JUNE-SEPTEMBER EXCLUDING AUGUST:

The price for the minicruise with departure from the Tremiti islands in the first daily shift from 10am to 2pm (with sanitising process after 14pm) and in the second daily shift from 3pm to 7pm is 40 euros per person. Children up to the age of 4 can come for free; between the age of 4 and 10 they receive a 50% discount, and from the age of 11 they pay the full price. The minicruise includes a tour of the islands, long bathing stops in some of the best places where anchoring is possible. Besides aperitif, lunch, and drinks **are included**. On the boat we will offer fins, but it is highly advisable that you bring your own mask and snorkel in order to better explore the underwater world of the islands, therefore **we will not be renting them** for health and safety purposes. As soon as you come on-board you must hand us the covid19 module (please download it from our website) and **follow the health and safety procedures indicated on our website.**

FULL-DAY DIVING MINICRUISE

The price of the full-day diving minicruise with departure from the Tremiti islands is 80 euros per person (this includes 2 dives), while for diving group bookings (up to 12 people) the price is 90 euros (we apply one gratuity every 10 divers) **excluding** diving equipment. Departure is scheduled for 10am (meeting at 9.50 for a briefing of the boat), and return around 5pm (in time to catch the ferry back should you need to that day). With the Blu Alba boat we will take you to the best diving sites, which are also good snorkelling spots. While the divers go off on their activities you can enjoy long bathes, lounge and sunbathe. On the boat we will offer fins, but it is highly advisable that you bring your own mask and snorkel in order to better explore the underwater world of the islands, therefore **we will not be renting them** for health and safety purposes. Unfortunately aperitif, lunch, and drinks **are not included** this year due to health and safety measures for covid19, so we highly recommend you bring your own water bottles (identifiable with your name) and a packed lunch. As soon as you come on-board you must hand us the covid19 module (please download it from our website) and **follow the health and safety procedures indicated on our website.**

BAPTISM OF THE SEA:

Our “baptism of the sea” is your first diving experience using full diving equipment, one-to-one with an instructor who will lead you for around 25 minutes to explore our underwater world up to 10 metres deep. The price is 100 euros **excluding full-day**. As soon as you come on-board you must hand us the covid19 module (please download it from our website) and **follow the health and safety procedures indicated on our website.**

THE BOAT HAS A MAXIMUM CAPACITY OF 12 PASSENGERS DUE TO SOCIAL DISTANCING REQUIREMENTS FOR PROTECTION FROM COVID19

RESERVATION AND DEPOSIT:

For your reservation to be confirmed we require a 50% deposit by banker's order indicating name, number of people and phone number. The tickets for the ferry should be paid directly to the navigation company (card payment is also available) and **the remaining fee for our services on-board should be paid cash.** Please make sure you bring a copy of the banker's order with you.

By calling us the day before your excursion with us we can coordinate our meetin-point.

The reservation is confirmed once we receive the 50% deposit for the excursion and 30% of the hotel total. **The deposit is non-refundable** excluding cases when due to weather conditions you are unable to reach the islands.

If you cancel an excursion reserved only 48 hours before, the whole price must be paid in full.
